

I urge you and your colleagues to promote a diverse, balanced, and competitive media. Please stop the media deregulation rule change on June 2.

Divergent media is democracy's most valuable resource as Thomas Jefferson was aware when he said: "I would rather have a free press and no government than a government and no free press."

We allow media companies to use the airwaves in exchange for their assurance that they're serving the public interest, and it's the FCC's job to make sure they do so. Please hold the FCC to it's mandate and oppose the rule change.
